COACH'S COMMENTS

I am so proud of our swimmers. What was most impressive about our meet against Balcones Woods was the number of very close races. It not only made it quite exciting to watch, but it showed how much fun our swimmers were having "getting after it."

We had a total of 196 personal bests with Team Records being set by Max Kerwick, Bailey Fellows, Adam Harlow, and Katelyn Erickson. Congratulations to those swimmers, along with Kendall Webster who set a team record last week at the Balcones Woods meet.

WAY TO GO...WAHOOEY !

At this time, I would like to give a big thanks to our parent group, for putting on a such a fantastic meet.

I have never worked with such a wonderfully supportive group of parent volunteers and just want to let you know that I really do appreciate all that you do for us. Swimmers, give your parents a big hug for me and you!

We're coming up on our final home meet this weekend against Granada Hills Dolphins. Have a good time racing! See you at the pool :)

JODIE'S JEWELS

What a great meet against Balcones Woods! There were so many close, exciting heats that one had to wait until the results were posted to see who placed for points.

Our parent volunteers deserve a big round of applause for hosting our first home meet of the season. It was a big success.

Let me pass along that Balcones Woods commented about how well the meet was run, our very capable ready bench volunteers, and how everyone is so friendly and hospitable. They also thought our food was great! Many thanks to Laurie Korn, Emily Sheehan, and Jennifer Sowinski for putting on such a fabulous spread. At what other meet can you expect to find Sweetish Hill treats and Texpresso coffee?

Balcones folks also mentioned that Pete and Paula Wilcoxon are highly regarded in our league as the Computer Pros. We are so happy to have them as part of our team.

Many thanks to all the people who helped set up on Friday night. That was a first for me to have so many helping hands. We were finished in record time. I truly appreciate all your help.

This Saturday, June 8th, we are at home sweet home again. The meet will start at 8:30 a.m. against Grenada Hills/Western Oaks Dolphins. More to follow from Coach Sandy on warm-up times.

ORCAS BATTLE BLUE WAVES TO THE END

The Westover Wild Orcas gave the perennial league favorites from Balcones Woods all they could handle on Saturday. Once again, the Orcas turned in some fabulous performances.

Madison Spencer won both the girls' 9-10 Freestyle and Butterfly. Westover 6 & under girls swept the Backstroke and the 11-12 girls swept the Freestyle. Reed Erickson won the boys 11-12 Backstroke and Breaststroke, matching Christie Newberry in the girls 13-14 group.

In 15-18 girls, Katelyn Erickson's hat trick included the Freestyle, the 100-meter IM and Backstroke. Bailey Fellows and Adam Harlow were one-two in the 13-14 boys Freestyle. Later Bailey took the 100-meter IM and Adam won the Breaststroke.

Kendyl Webster anchored the powerhouse 11-12 girls, winning the 100-meter IM and Backstroke. Alison Garner, Elise Harlow and Jasmine Thum swept the girls 11-12 Breaststroke.

Ma Schmolze led the 6 & under girls to a sweep and later won the Breaststroke.

Nathan Glenn took the boys 15-18 Backstroke and missed winning the 100-meter IM by .12 seconds. Ana Worrel won the girls 9-10 Backstroke. Too many great performances to mention them all. So, look out, Granada Hills, the Orcas are ready!
