Orca Concessions are the Best!

(and our competition thinks so too!)

The head coach of the Twisters this weekend commented that our concessions were great. They have to have it all catered from the club, and can't bring in outside food. They loved the grilled burgers and sausage wraps! We know it was hot up at the grill last Saturday; however, we all appreciate the results of your work!

A big THANK YOU to our wonderful concession chairs **Jeanmarie and Scott Rust** and their team of volunteers, who purchase, prepare, setup, and sell the "much-consumed" concessions.

Special thanks also goes out to three of our wonderful sponsors. First to the **Ward Family** and who provided us with our breakfast tacos the morning of the meet, then **Texexpresso** for providing the coffee and to **Sweetish Hill Bakery** for providing the sweet treats of muffins and cookies that we enjoyed throughout the day!

SPIRIT DAY FUN AND FLAVORFUL!

Last Friday before the Twin Creeks Meet, **Amy Jordan**, our Spirit Chairperson, and her team

had the Orcas doing some great crafts and preparing those terrific flags that you saw on the fence at the meet. Many of you parents contributed food and drinks last week, and it was much appreciated! One Orca mom, **Laura Hitt**, went the extra mile and bake a special "Orca" cake for each age group!

There is a sign-up sheet and an email that has gone out for contributions for food and drink for the next few Fridays. Please let sign up or email Amy at amysjordan@sbcglobal.net.

Notes from the Coach

WOW! What a meet. Over a dozen of our pre-competitive first-time swimmers raced the freestyle and swam just beautifully. And, our seasoned Orcas hit their first meet of the season with some very enthusiastic and competitive splashes. Great job, swimmers. Super way to begin the 2006 season.

A big THANKS goes out to all of our volunteers for pitching in for what turned out to be quite a long day. Without you we wouldn't be here! Swimmers, give your parents a hug right now :)

And, parent relays . . . you guys were awesome. Need I say more? Next week we swim Balcones Woods — be prepared with those suits & goggles.

See you at the pool.

Coach Sandy

DON'T MISS BINGO NIGHT!

TUESDAY, JUNE 6TH FROM 6 TO 8 PM

If you want to donate outside of swim practice hours, the box will be in Brendan's office or behind the desk. Donations of gift certificates or cards, or even a check to purchase gifts is much appreciated. Deadline for donations is Friday, June 2nd.

Bring your cooler, chairs, and a dessert or snack to share and join us for BINGO night in the Westover Gym.

CHAMPS INFORMATION

Several team members and families have been asking about the CHAMPS meet that will be held at the end of the season with all the teams in our league (Balconies, Great Hills, Westover, and Twin Creeks).

This year, considering the size of the league, the desire to have a Saturday meet, location cost, parking, and several other factors too numerous to list, the league representatives from all teams collectively have selected to have our annual CHAMPS meet at **Miki Krebsbach Pool** in Round Rock on Saturday, June 24th. A map has been posted on our website.

A planning note to all Orca swimmers and their parents, the meet will be starting around 7:00 am in order to accommodate all participating league swimmers. The meet should end by 2:00 PM. All Orcas should be prepared to make it an early night on Friday, June 23rd so you can be ready to swim your best at CHAMPS early the next morning.

We thank our league representative, **Dan Germain**, for representing Westover at all the planning meetings this past fall and winter to assure we have a successful summer swim experience.
